CURRENT EMPLOYMENT

Associate Professor, University of California, Irvine, 2011 – present.

PREVIOUS POSITIONS

Assistant Professor, University of California, Irvine, 2003 – 2011

Visiting Scholar, Boston University, fall 2008

Visiting Lecturer, New Economic School, Moscow, spring 2002

EDUCATION

University of Rochester, Ph.D. in Economics, October 2003

Thesis: 'Essays on Subjective Probability, Risk, and Ambiguity', supervised by L. Epstein
Norma Kaplan Prize for academic excellence

New Economic School, Moscow, M.A. in Economics, July 1998

diploma *summa cum laude*

Don Patinkin Prize for academic excellence

Moscow State University

M.S. in Mathematics, June 1997

B.S. in Mathematics, June 1995 (*summa cum laude*)

OTHER AFFILIATIONS AND MEMBERSHIPS

Member, Institute for Mathematical Behavioral Sciences, UC Irvine, July 2003 - present

Member, Econometric Society, 2003 - present

RESEARCH INTERESTS

decision theory, experimental economics, behavioral economics

SUBMITTED DRAFTS

Framing in Expected Utility and Multiple Priors Models, under review in *Econometrica*

Subjective Beliefs and Confidence When Facts are Forgotten (joint with J. Miller), under review in *Journal of Risk and Uncertainty*

OTHER WORKING PAPERS

Minimal Subjective State Spaces

Additive and Rawlsian aggregation of Incomplete preferences with Two Subjective States (joint with J. Zhao)

Satisficing Procedures, Search, and Semiorders

Expected Utility With Costly Ambiguity

Procedural Rationality in the Multiple Priors Model

TEACHING

undergraduate level: Behavioral Economics, Economics of Asymmetric Information, Principles of Economics, Economics of Risk and Uncertainty,

graduate level: Microeconomics, Topics in Decision Theory, Mathematics for Economists, PhD advancement exams

dissertation committees: Garret Ridinger (2016), Blake Allison (2015), Michael Caldara (2014)

coadvisor, Junying Zhao, (2016-present)

GRANTS

2015 IMBS Seed Grant (\$1700)

EDITORIAL WORK AND REFEREEING

Associate Editor, *Theoretical Economics*, 2011-present

Econometrica, Review of Economic Studies, American Economic Review, Journal of Economic Theory, Journal of Mathematical Economics, Economic Theory, Operations Research, Theory and Decision, Journal of Economic Psychology, Games and Economic Behavior, Mathematical Social Sciences, International Economic Review

TALKS AND PRESENTATIONS

2017: Caltech; Boston University; North American Summer Meeting of the Econometric Society (St. Louis); Decisions: Theory, Experiments and Applications (Paris); HSE&NES (Moscow)

2016: UC Berkeley; Risk, Uncertainty, and Decisions (Paris); Southwest Economic Theory (Riverside)

2015: UC Santa Barbara, University of Rochester

2014: University of Arizona, FUR XVI(Erasmus University, Rotterdam), Boston University, Southwest Economic Theory Conference (Organizer, UCI), NES (Moscow)

2013: UC San Diego, Southwest Economic Theory (Honolulu)

2012: UC Riverside, University of Southern California,

2011: UC Davis, NES (Moscow), Southwest Economic Theory Conference, AEA 2011 (panelist)

2010: RUD (Paris), Bocconi University, GREG HEC (Paris)

SERVICE

UCI Divisional Senate Assembly (2016-present)

Organizer, Southwest Economic Theory Conference 2014
